1. Complete a brief statement on the 2019 proposed Annual Budget and make comparison to the 2017 adopted budget. Explain any variances over +/-10% for each line item. Explanations of variances should include a description of the reason for the increase/decrease in the budgeted line item, not just an indication of the amount and percent of the change. Attach any supporting documentation that will help to explain the reason for the increase/decrease in the budgeted line item. The 2019 budget increases overall spending \$23,420, or 2.5%, primarily due to increased salaries, wages & fringe benefits of \$25,225. Equipment/Radio agreement decreased \$30,000 from 2018 due to 2018 misclassification of radio equipment in this line item.

2. Complete a brief statement on the impact the proposed Annual Budget will have on the Amount to be Raised by Taxation to support the district budget and on the Restricted and Unrestricted Fund Balance(s). Explain increases or decreases in the tax rate and utilization of fund balances. If Unrestricted Fund Balance is reduced by more than 10%, explain the projected impact on the following year's budget. Amount raised by taxes increases \$22,585, or 2.6%. The District will utilize \$34,662 in unrestricted fund balance. This will not have any effect on the 2020 budget.

3. Include a statement explaining how the Fire District is complying with the Property Tax Levy Cap. The statement must explain reasons for exceeding the Levy Cap and identify the appropriations that caused the Fire District to exceed the Levy Cap, and how they are being addressed by a referendum. The proposed 2019 budget is in full compliance with the property tax levy CAP law.

4. If the Fire District plans to pass a Resolution for the Release of Restricted Fund Balance, explain the reason and purposes of the appropriation. N/A

5. Complete a brief statement on the Annual Budget's proposed capital appropriations and payment methods, including debt service for the proposed budget year and for future years. The 2019 budget calls for \$45,000 in capital appropriations, and \$85,173 in debt service.

6. If the proposed Annual Budget contains an amount for a Cash Deficit of the Preceding Year pursuant to N.J.S.A. 40A:14-78.6, then explain the reasons for the occurrence of the deficit. N/A

7. Does the Annual Budget appropriate such sums as it may deem necessary for the purchase of first aid, ambulance, rescue, or other emergency vehicles, equipment, supplies and materials for use by a duly incorporated association, pursuant to N.J.S.A. 40A:14-85.1? If so, provide the organization's incorporated name and amounts. N/A

8. Complete the following based on the municipal assessor's latest information pursuant to N.J.S.A. 54:4-35:

Proposed Tax Rate per \$100 of Assessed Valuation	\$ 0.869

9. Is the Fire District providing for a first year funding appropriation to establish a length of service award program (LOSAP) in this year's budget subject to public referendum thereof?

No	X	Yes		If yes, how much is appropriated?	\$
----	---	-----	--	-----------------------------------	----

If the public question is defeated, is the Board of Commissioners aware that the budget must be amended to delete the LOSAP appropriation amount and that the Amount to be Raised by Taxation to Support the Budget must be reduced by a like amount?

- (3) The members of the Fire Company, in performing fire duty, shall be deemed to be exercising a governmental function.
- (4) The members of the Fire Company shall be under the supervision and control of the Commissioners, and the Fire Company may not take any action which is contrary to law or to the by-laws or official actions of the Commissioners.

- (6) The Fire Company may be contracted for such other duties, directly or indirectly related to the improvement of the premises, as may be directed from time to time by the Commissioners.

- (9) Notwithstanding anything to the contrary herein contained, the Commissioners will exercise jurisdiction over the Fire Company in firematic matters only and will not interfere or seek to regulate the internal administration of the Fire Company.
- (10) The Commissioners will pay for refreshments required for weather related standby calls.
