**ROBERT GILLESPIE:** Mike, can I ask you something. If you don't mind can we go back to the chief's thing? Myself and Michael were just talking about it. We had a meeting last night, a critique, about the Avenel fire. Our radios right now are frequency to talk to Amboy, correct?

**FIRE CHIEF:** Amboy's frequency that they have now.

**ROBERT GILLESPIE:** On Amboy's frequency now.

**FIRE CHIEF:** Yes.

**ROBERT GILLESPIE:** On our radios?

**FIRE CHIEF:** Yes.

**ROBERT GILLESPIE:** I thought they switched over, right?

**FIRE CHIEF:** If they did switch over then from what I'm hearing we have to get.....

**ROBERT GILLESPIE:** A new template?

**FIRE CHIEF:** We have to go get those things reprogrammed because Amboy supposedly came to our frequency.

**ROBERT GILLESPIE:** Yes they did.

**FIRE CHIEF:** If that took affect yet, which I think it did, our radios have to get over it.
